Car #3550 in front of City Hall in 1962. This car, along with #7407, was operated on the last days of service in on November 2-3, 1963. Car #3550 now operates as car #4533 at the Baltimore Streetcar Museum

In Commemorating the Fiftieth Anniversary of the End of Streetcars in Baltimore

November 2-3, 2013
Noon until 5:00 P.M.

SPECIAL ACTIVITIES

November 2nd Cars #7407 and #4533 will be the featured cars in operation along with the other streetcars. Two former Baltimore Transit Company buses, one from the 1940's and the other from the 1950's, in their authentic livery, will be on display for your inspection.

November 3rd Cars #7407 and #4533 will again be the featured cars in operation along with the other streetcars. Antique cars from the late 1950's and early 1960's, courtesy of the Chesapeake Region of the Antique Automobile Club of America, will be on display, weather permitting.
